

The Purpose and Aims of the Four-Day Work Week

Andrew Barnes, Founder of Perpetual Guardian and Architect of 4 Day Week Global

Pay

Time

Output

100% income, for 80% time, as long as we get 100% output

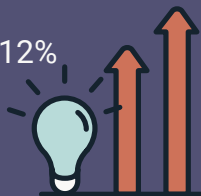

Case Studies of the Four-Day work week

AWIN - 1000 employees

- Staff absenteeism reduced by 59%
- 12.8% increase in employee engagement – especially parents
- 9% more productive
- Applications increased by 12%

Bolt - 550 Employees

- 84% more productive
- 86% more efficient with time
- 84% have better work life balance

Country after country is implementing a Four-Day work week.

If you are not re-imagining the future, you are simply re-engineering the past.
Andrew Barnes

- Flexible working hours
- Upskilling
- Millennial attitudes
- Poverty
- Working parents
